

Uniclass

PM – Project management Table v1.21

July 2023

General changes

We have been working with the Ministry of Justice to include codes for the documentation in their processes. We have also received feedback from users, and new codes and classifications have been added to the 'Project management' table to meet their requirements. For full details, please see below.

Particular changes

[PM_10 Project information](#)

v1.20 Code	v1.21 Code	Classification	Notes
	PM_10_10_10	Initial project brief	Project Management code added
	PM_10_10_20	Final project brief	Project Management code added
	PM_10_20_25	Employer's requirements	Project Management code added
	PM_10_90	Transport management requirements	Project Management subgroup code added
	PM_10_90_01	Abnormal indivisible load (AIL) schedule	Project Management code added
	PM_10_90_04	Transport assessment and travel plan	Project Management code added
	PM_10_90_31	Freight management plan	Project Management code added
	PM_10_90_50	Transport management strategy	Project Management code added
	PM_10_90_85	Staff and visitor travel plan	Project Management code added

[PM_35 Project performance requirements](#)

v1.20 Code	v1.21 Code	Classification	Notes
	PM_35_70_27	Energy metering requirements	Project Management code added

[PM_40 Design and approvals information](#)

v1.20 Code	v1.21 Code	Classification	Notes
	PM_40_20_46	Landscape design strategy	Project Management code added
	PM_40_25	Design calculations	Project Management subgroup code added

	PM_40_25_02	Above-ground drainage calculations	Project Management code added
	PM_40_25_11	Cable calculations	Project Management code added
	PM_40_25_15	Containment calculations	Project Management code added
	PM_40_25_27	Electrical load calculations	Project Management code added
	PM_40_25_37	Heating and cooling load calculations	Project Management code added
	PM_40_25_39	Heat loss calculations	Project Management code added
	PM_40_25_47	Lighting calculations	Project Management code added
	PM_40_25_50	Maintenance factor calculations	Project Management code added
	PM_40_25_52	Mechanical services calculations	Project Management code added
	PM_40_25_63	Pipework calculations	Project Management code added
	PM_40_25_68	Public health calculations	Project Management code added
	PM_40_25_83	Structural engineering calculations	Project Management code added
	PM_40_25_86	Surface water calculations	Project Management code added
	PM_40_25_94	Ventilation calculations	Project Management code added
	PM_40_25_96	Wastewater drainage calculations	Project Management code added
PM_40_30_18		Construction specification	Project Management code deleted, replaced by new subgroup PM_40_45
PM_40_30_20		Design calculations	Project Management code deleted, replaced by new subgroup PM_40_25
PM_40_30_58		Outline specification	Project Management code deleted, replaced by new subgroup PM_40_45
PM_40_30_61		Performance specification	Project Management code deleted, replaced by new subgroup PM_40_45
	PM_40_45	Specifications	Project Management subgroup code added
	PM_40_45_03	Architectural construction specification	Project Management code added
	PM_40_45_04	Architectural outline specification	Project Management code added
	PM_40_45_05	Architectural performance specification	Project Management code added
	PM_40_45_10	Building services construction specification	Project Management code added
	PM_40_45_11	Building services outline specification	Project Management code added
	PM_40_45_12	Building services performance specification	Project Management code added
	PM_40_45_15	Civil engineering construction specification	Project Management code added
	PM_40_45_16	Civil engineering outline specification	Project Management code added
	PM_40_45_17	Civil engineering performance specification	Project Management code added
	PM_40_45_45	Landscape architecture construction specification	Project Management code added
	PM_40_45_46	Landscape architecture outline specification	Project Management code added

	PM_40_45_47	Landscape architecture performance specification	Project Management code added
	PM_40_45_83	Structural engineering construction specification	Project Management code added
	PM_40_45_84	Structural engineering outline specification	Project Management code added
	PM_40_45_85	Structural engineering performance specification	Project Management code added
	PM_40_60_44	Information security triage matrix	Project Management code added

PM_60 Construction management information

v1.20 Code	v1.21 Code	Classification	Notes
	PM_60_70_03	Asbestos works notification information	Project Management code added

PM_80 Asset management information

v1.20 Code	v1.21 Code	Classification	Notes
	PM_80_40_80	Software training documentation	Project Management code added
	PM_80_40_89	Training completion reports	Project Management code added
	PM_80_40_90	Training guides and videos	Project Management code added
	PM_80_60_47	Legionella risk assessment information	Project Management code added
