Uniclass
SL – Spaces/ locations Table v1.28
July 2023

General changes

We have been working with the Ministry of Justice to ensure that the tables include classifications for spaces across their estate. As a result, we have added codes to the sections for 'Detention spaces'. We have also worked with Transport for New South Wales to include classifications in the 'Road spaces' section. This update of Uniclass also includes spaces requested by the Environment Agency and Palace of Westminster Strategic Estates team. Please see below for full details.

Particular changes
